

## FARCURA NEWSLETTER No. 3

### Project update

Welcome to the 3rd newsletter of our Erasmus + project *Fostering Inclusion through Social Farming*. Over the two years our project partnership, comprised of educational and third sector organisations from Slovenia, Belgium, Germany, Portugal and Ireland has been working together to create greater, more widespread awareness of social farming.

We are now nearing the end of our project work. We will be launching our training course in each of the partner countries throughout the month of September.

### Register for our final conferences.

Our final conference will be held virtually on **September 30<sup>th</sup>** (9-11CEST). Hosted by our Brussels based partner the European Landowners Organisation, we will be launching our social farming training programme and sharing our experiences of social farming with stakeholders throughout Europe.

To join us please register [here](#)

### National conferences.

In addition to this we will be holding conferences in each of the partner countries throughout the month of September.

For Information on these please contact the partner in your region.
